President's Address

Dear Students and brand new Alumni of St. Mike's,

These exuberant and colourful pages, even the black and white ones, carve out this year's delicious slice from a confection that has been in the making for these past 163 years. In these happy pages, we see again those sparkling moments that are going to become the stuff of special memories and unshakable legends for many years to come. Cheering each other on with the Hoikety Choik, living robustly in Double Blue, growing up together in Goodness, Discipline, and Knowledge all of these ways of life form the foundation of our education at St. Michael's College School, which in turn will be a solid foundation for the rest of our lives.

Let us find for ourselves in these telling pages images of those moments when our minds soared to new heights, memories of those events and activities when our bodies pushed us beyond ourselves, whispers of those epiphanies when Divine Providence further shaped our human souls into who we are becoming. In short, it was a full and boisterous year, to be sure, and a holy and fulfilling year too. Indeed, it was like any other year at St. Mike's. But what made this year so special and outstanding was our presence and participation in it.
To the Class of 2015, this Tower is the last yearbook in your SMCS collection, until your son(s) begin to bring theirs home. Cherish this retrospective commemoration, and relish the memories enshrined in it. Come back to St. Mike's to tell and retell these stories that will never grow old nor stale. To all returning students, let us resolve to repeat everything that is good in this summary of 2014-15, and let us pledge to outdo ourselves in fresh and new triumphs next year.

St. Michael, pray for us!

Fr. Jefferson M. Thompson, CSB '79
President

Principal's Address

Integrity, respect, and commitment are the very foundations of a St. Michael's College School education. It permeates our academics, arts, athletics and co-curricular programmes, but most importantly these attributes are essential to a Catholic life. Within the pages of this 2014/15 edition of The Tower, there are hundreds, if not thousands, of examples of integrity, respect, and commitment being demonstrated within our yellow bricks. Not all of them stare the viewer in the face - they are in the subtleties of everyday life here as well as formal academic events, student successes and championships.

As it does every year, the staff of The Tower has done an awesome job of capturing the special moments of this past school year. I would like to thank all of our students who participated in the creation of this edition, especially Mario Orsini, who took on the lion's share with grace and humility. Without the dedication and effort of the team, memories of the 2014/15 academic year would be lost to the passing of time. The fact that the foundation of an SMCS education can be seen in every page is a credit to the team and it is deserving of our appreciation.

As with any yearbook, the printing of the copies recognizes an end to another school year. On a personal note, I close this year's yearbook with mixed emotions - sad to be leaving, but proud of the young men I am leaving with and of all of our accomplishments, and excited by future opportunities. In this edition we welcomed the new students at the beginning of the year and at the end we also say goodbye to our graduating class of 2015 and its families. We wish them all of the best in their future endeavors and ask that they return home to their alma mater whenever possible. The legacies and traditions only continue when those who are steeped in them return to share and remind future students. Building on integrity, respect, and commitment, we also remind our graduates to take on the leadership roles in society and become role models for others. For those students who are returning and as members of the school community, it will be your challenge to build the double blue spirit and commit to the values of a St. Michael's College School education.

Principal

Student Government Address

Dear St. Michael's Community,

Within the pages of this yearbook there are future doctors, musicians, lawyers, athletes, businessmen, politicians, and countless other professions; but more importantly there are your brothers. The brotherhood at St. Michael's is what makes the school so special. It is our double blue blood that will keep us united, no matter where we end up in this world. Together, as St. Michael's men, we can make this world great. The Basilian Fathers, administrators, and teachers structured our learning so that more than telling us what to think, they instructed us on how to think, preparing us for lives of perpetual learning.

On behalf of the 2014-2015 Student Government, I would like extend our immense gratitude to all of you for making this such an amazing year. Thousands of people were given meals during various holidays due to your generous support of the Thanksgiving Food Drive, Christmas Baskets, and Spirit Week. Alongside many other initiatives such as the clothing drive, the St. Michael's community went above and beyond to help those in need.

Watching the boys in blue dominate on the ice, field, court, and artistic studio is not only the best way to spend our evenings, but something we will deeply miss. Thank you for everything you have done for us St. Michael's College School. Words cannot express our appreciation. St. Michael's continue being great. The graduating class of 2015 will sincerely miss you.

Best of luck in all your future endeavors,
Graham Sidwell
Student Government President

The 2014-2015 St. Michael's College School Student Government was a great success, all thanks to the Student Body's encouragement and participation. New traditions were forged, and old traditions were built upon. The year started with a blast of energy at the Pep Rally and at Homecoming, which rolled right along into the school year. The dance "Bluenami" was a huge hit with all who attended, and the 7/8 dance could not have gone better! The Student Body did an amazing job in supporting all the charitable drives. Over 43 families were fed with the Christmas Basket Drive, 7 tonnes of canned goods were donated at the Thanksgiving Food Drive, and countless were given warm clothes due to the Clothing Drive. Thank you very much to all those who participated, aided, and were a part of the Student Government's multiple initiatives. May the St. Michael's brotherhood help and guide you all, whether your time is up in June 2015, or you are blessed with the opportunity to continue your St. Michael's education. Show the world what you have been taught here at St. Michael's. Best of luck with all your future endeavors.

Congratulations to Jonathon Donville and Joe Narducci, and enjoy leading the 2015-2016 Student Government!

Graham Sidwell,
Student Government President

This year, the St. Michael's College School DECA chapter has risen to new heights. Under the guidance of the Presidents Sheldon Leung and Taylor Durand, SMC DECA competed valiantly at the Regional Competition in Hamilton in November and also at the Provincial level competition in downtown Toronto. They set new records by having many students from St. Michaels receiving "top 10" distinction in their categories at the Regional Completion. In this club, students gained life-like business experiences through case studies and written proposals encountered at the competitions. DECA hopes to build on potential and have competitors compete at the International level scheduled for May of next year in Nashville, Tennessee.

Blue Herald

The Blue Herald, St. Mike's entirely student-run newspaper, had one of its most successful years so far in 2014-2015. In its several monthly editions, it accomplished its goal of reporting on and uncovering the truth about issues concerning our school community as well as the outside world. Led by Luke Sarabia and Patrick Hart, under the helpful guidance of Mrs. Higgins-Burnham and Mrs. Gray, the Blue Herald also included contributions from students of almost every grade. As well as exploring important issues and informing the student body, the Blue Herald also served as a forum for students to develop their writing and journalistic skills and to have their voice heard. All in all, an enjoyable learning experience was for everyone involved.

The Duke of Edinburgh's Award Programme

More than 80 dedicated students, throughout Grades 9-12, are involved with the Duke of Edinburgh Awards program: an amazing leadership opportunity, which was initiated in 1963 by the Duke of Edinburgh. These aspiring St. Michael's leaders are working towards, Bronze, Silver or Gold level awards within the programme. Meetings are held bi-monthly throughout the year. Two of our recent 2015 Gold Award Recipients, Mario Orsini and Graham Sidwell, highlight below their accomplishments through the programme:

Graham Sidwell, Student Government President," The Duke of Edinburgh program has encouraged me to become more actively engaged in the community as well as aided my awareness of my extra-curricular actions."

Mario Orsini, Student Government Athletic Head, "The benefits derived from participating in the Duke of Edinburgh Awards programme are one in themselves. You can join clubs to experience and learn, you can volunteer to help the community and you go on adventurous journeys to expand your horizons. The fact that you are also granted awards is just a recognition of personal growth."

Gold Award Recipients:
Graham Sidwell, Mario Orsini, Justin Kim, Arjaan Buijs, Jose Davila, Alexander Mangiardi, David McCarthy

Silver Award Recipients:
Michael Lee, Callum Cusinato, Stephen Dietrich, Alexander George, William George, Jay Hanuschak, Daniel Marino, Jacob Robbins, Joseph Rossi, Daniel Tatangelo

Bronze Award Recipients:

Stage Crew

The SMCS Stage Crew is a group of dedicated students who help put on the stage productions for SMCS as well as helped out with various other lectures and events within the school and theater. They worked diligently to implement the set, lights and sound for the two stage productions; "Charley's Aunt" and "The Addams Family". In the fall the stage crew helped put on "Charley's Aunt," which had a set that consisted of rolling flats, fireplaces and garden walls. The second production was the musical, "The Addams Family," and that set consisted of two large rolling staircases, a large tree and numerous props. The Stage Crew is also integral to ensuring that Open Houses, Welcome Days, and the Christmas and Spring concerts run smoothly.

Chess Club

The Blue Knights had an outstanding season. Members from all grades came to weekly practices in order to listen to lectures led by Coach Natasha and to play, practice and improve their chess skills. This year, the Blue Knights had numerous achievements such as going to the Toronto Secondary School Chess League (TSSCL) Team Championship and the Ontario High School Chess Championship (OHSCC). In the OHSCC, Mauricio Di Paolantonio '15 came in third place in the Grade 12 intermediate division. In the beginner division, Sebastian Lulker '16, Michael Lee '16, and Alejandro Avila '16 came in third place as a team. Additionally, Sebastian came in first place in the Grade 11 beginner division. Thank you to all members for showing your enthusiasm this season.

VEX Robotics

This year for the first time Vex Robotics ran both a competitive team (the SMCS Blue Bolts) and a recreational hobbyist club. Our competitive team had a great season, capturing a berth at provincial championships and hosting a tournament in our own building for the first time. Our club has also been active through the year, working with a whole batch of new students to introduce them to the challenges of designing, building, and programming their own robots.

The 2015 Stock Market Club allowed students to discover trends in the market and competed to make the most overall gains

Members:
The Stock Market Club include over 100 members from Grade 9 to 12.

Photography

The Photography Club brings SMCS students from all grades together through their shared passion for photography. Our Student Life Photographers help capture day-to-day happenings as well as bigger campus events such as sports tournaments and theatrical presentations. Students work with and learn how to use their own cameras, explore various photo editing software and share tips and techniques for taking better photos with the aim of using them for presentations, displays and school publications such as the Blue Herald, the yearbook and the annual school calendar.

Math Club

The Senior Math Club, comprised of 59 distinguished math enthusiasts from Grades 11 and 12, competed in many competitions throughout the year. Under the supervision of Mrs. Dankowycz, the Senior Math Club held the 2nd Annual SMC Math Club Bake Sale during both lunches in the cafeteria, which was well-received by the student body. Also, the math club designed a limited addition t-shirt. Overall, the members of the Senior Math Club had a busy and productive year, exercising their grey matter, acquiring and applying mathematical knowledge and pushing themselves beyond the prescribed curriculum as they attempted challenging questions. This provided them with a unique way to explore the wonderful world of mathematics! Congratulations to all the Senior Math Club members for their bravery, dedication and hard work.

Blue Anglers

2015 was another successful year for the Blue Anglers fishing club. The moderators and its members once again congregated weekly to talk over all things fishing, from discussing rods and lines, to sharing memorable fishing experiences. The annual excursions included an ice fishing trip and an expedition to Toronto Island. The experience was once again tremendous, leading off strongly from previous years. Mr. Arseneau and Mr. Spagnolo would like to thank all members for their continued devotion to the club and enthusiasm for fishing.

Prefects

Student Prefects at St. Michael's College School are given added responsibilities to an already busy life. The successes of each year's Student Prefects are often hidden from the general public. Success is measured by the number of visitors, students, staff, and faculty who lives are influenced positively by interacting with the Student Prefects. The almost twenty-four hour cycle of activity here at St. Michael's College School will generally find a Student Prefect in attendance. They are the students who are able to answer questions about the school's policies, activities, expectations or know who can answer those questions. Self-motivation, an excellent academic record and generosity of heart are the hallmarks of a Student Prefect, combined with a humble yet sure knowledge of their talents, and where those talents originate, Student Prefects assist each member of the St. Michael's community to be people of Goodness, Discipline, and Knowledge.

Peer Tutoring

This year the SMCS Peer Tutoring Programme was a huge success! We had 30 Peer Tutors tutoring our students from grade 7 to 12. Our tutors were able to help our students in a wide range of subjects, from science and math to French and History. Our peer tutors typically met with their student(s) one to two times per week either before school, during lunch period or after school. Students interested in having a peer tutor for the coming year must first see their guidance counsellor for further information.

The Daily Blue

Tower Media has completed its eighth successful year, delivering school announcements daily to the entire St. Michael's Community through the format of a newsroom broadcast. Through the implementation of new technology this year, the program has evolved and introduced a new format for the announcements not seen in previous years. The announcements can also be viewed via the school's website. The Daily Blue is an example of a truly unique experience at St. Michael's.

Debating

Debaters practice skills like impromptu speaking, examining a witness, refuting an opponent and structuring a parliamentary style speech. The Debate Club met regularly on Mondays after school in room 122 with moderators Mr. Mancuso and Mr. Vella. Students engaged in impromptu debates which focused on building skills like: how to ask a point of information, how to signpost a constructive argument and how not to "burn the turf" in a British Parliamentary debate. Debaters attended various tournaments. In the fall, debaters attended the McGill University High School Debate Tournament. In the spring, debaters attended three university tournaments: Queen's, Ottawa and Hart House at the University of Toronto.

St. Michael's Destination Imagination develops opportunities that inspire the global community of learners to utilize diverse approaches in applying 21st century skills and creativity. St. Michael's Destination Imagination program encourages teams of learners to have fun, take risks, focus and frame challenges while incorporating STEM (science, technology, engineering, and mathematics), the arts and service learning. Our teams aspire to learn patience, flexibility, persistence, ethics, respect for others and their ideas, and the collaborative problem solving process. This year all three St. Michael's Teams finished first at the Ontario Championship and were given the honour of representing Team Ontario at the Global Finals in Knoxville, Tennesee.

The science club is a group of students interested in topics that go outside what we do in the classroom. The science club is active during open houses, where they run demonstrations and share the experience of science at SMCS, and through the year the club keeps busy caring for our classroom animals, preparing science fair projects, and prototyping on our 3D printer.

Anime

Every Thursday throughout the year, the Anime Club gathers to watch and talk about the best in classic and contemporary Japanese anime. Although there is much debate over opinions on series's and characters, the students share a common interest in the art form and culture. This year the students attended the annual Anime North convention in May. Students can also be relied on for suggestions for new manga for the Odette Library. The year was very successful in that we had many active members from all grades.

The Blue Archers experienced a wonderful year. With our Gr.12 2014 OFSAA Team having graduated, we were excited to work with and train the many new archers who joined the club as well as our many returning archers. Coached by Ms. Sarah Gray and Alumni Michael Mah, and supervised by moderator Kim Celotti, archers from Grade 7 through 12 had the opportunity to shoot weekly in the dungeon as well as in the mornings and evenings in the school gym. Preparing to send a brand new team to OFSAA in May, the archers have been diligent and focused about practice; honing their skills and learning about technique and regulations.

Several students from Mr. Mancuso's and Mr. Shaughnessy's Grade 12 law classes participated in a Moot Court competition in first term regarding the issue of polygamous marriage--does Ms. Genevieve Polyandry have the right under the Canadian Charter of Rights and Freedoms to marry both Misters Primo and Secondaire? The final appeal was adjudicated in the Lecture Hall, and was (thankfully!) won by the Respondents. In second term, the Law Society submitted a factum to the Ontario Justice Education Network's Charter Challenge Program regarding police powers in a child pornography investigation. Tackling such controversial and timely issues gives students a sense of how influential the legal profession is in setting public policy and a realistic platform to hone their advocacy skills. It was all great fun!

Model UN is a challenging yet rewarding experience available to students of all grades. Members, known as delegates, meet bi-weekly in the Guidance Seminar Room for an informative and fun meeting. Items discussed range from parliamentary procedure to geopolitics, socio economics and current world events.

Then delegates/members sport their best attire and attend conferences, some local, others national and international. Delegates have to defend their assigned country's position and accomplish its objectives as well as trying to solve the issues at hand. The conferences are an opportunity to discuss world affairs and socialize with like minded, globally focussed students, teachers and professors!

This year marked the return of Model UN to St. Michael's and as such the regular members were a small but very effective group. They accomplished much in one year and will most definitely achieve much more in the coming year. The team is diligentlyworking on next year's program, having submitted requests to attend events at The Toronto French School, the University of Toronto, McMaster, Boston College and Harvard.

Reach for the Top

Reach for the Top is a buzzer based trivia and general knowledge competition. After practicing weekly between October and January, the team faced other schools in the Central Toronto League. SMCS fielded both an A and B team in the league, and were ultimately eliminated in the semi final stage.

SMCS Scholars Kitchen

This year, over 100 students from grades 7-12 joined the SMC Cooks program. In the fall, four groups participated in a cooking class at the Loblaw's cooking school, where students learned how to prepare a full dinner an appetizer, main course and dessert- from scratch. The club was so popular the program was expanded in our winter session through an exciting new partnership with The Stop Community Food Centre - a local charity devoted to sustainable food production and education. SMCS students had the opportunity to participate in 3 sessions offered at the beginner (January), intermediate (February) and Master Chef levels (March/April). Students developed existing food preparation and knife skills, and examined the connections between nutrition, budget, cultural traditions, sustainable urban agriculture and advocacy. We wish all of our graduating participants the best and we are confident they can now exist on more than Kraft dinner at university!

Inter-Religious Dialogue Group

The Interreligious Dialogue Group (I.D. Group) was selected from over forty applicants to represent our school and Church in a dialogue project with both the Community Hebrew School of Toronto and the Islamic Foundation School, a Sunni school in Scarborough. Our boys shared in a fruitful exchange of all three traditions in an effort to build bridges and develop their understanding of religious faith in an increasingly pluralistic Canada.

Under the direction of Mr. Mark Pulla (SMCS Teacher) & Mr. Joaquin Nunez (Professional Percussionist), the SMCS Rumba Squad had a great percussion season in its fourth year of the program. The 24 members of the Rumba Squad, comprised of students from Grades 7-12, gave outstanding performances at events such as The SMCSPA Gift of Glamour Fashion Show, the Christmas and Spring Concerts, the Special Olympics Basketball Tournament, Club Blue Note and the Big M Lottery. Being the only extra-curricular program of its kind at the high school level in Canada, the Rumba Squad will continue in its mandate to train students in polyrhythmic patterns using worldly percussion instruments such as the congas, the djembe, the bombo and the bongos, to mention a few. One of the greatest highlights of this year was the World Beat Retreat to Varadero and Havana, Cuba the home of Rumba. This year, a group of 19 students took part in various musical workshops and performances, including one at the Conservatory of Music in Havana.

Festival Winds

It was another successful year for the Festival Winds as the intermediate competitive musical group for the school. In addition to their participation at the annual Christmas Concert in November, they also performed their own special Christmas concert for the local elementary schools hosted in the Centre for the Arts at SMCS. In early March they travelled to Collingwood where they competed in the annual Musicfest Canada Ontario Regional Music Festival and improved on their "Silver" rating from last year by receiving "Gold" from the adjudicators.

Junior and Senior Drumline

The season for Drumline began by hosting the Sounds of Summer Drumline Clinic in August. In addition to performances for various SMCS sports teams and at Homecoming, the Drumline also played for two professional sports teams, the Toronto FC and the Toronto Argonauts. For the Argos, these performances included the home opener in July, the home closer in November as well as various regular season games. The Drumline also performed at four scholastic drumline competitions which included hosting the Canadian Drumline Association Provincial Championships in May where they received the Silver Medal in the Premier Class. Other performances include the Toronto Santa Claus Parade, the Brampton Santa Claus Parade, and the St. Patrick's Day Parade. The newest venture was to travel to Montreal where they competed in the Quebec Drumline Championships. Their performance in Quebec Premier Class level was rewarded with a Silver Meda.

The Addams Family is a musical comedy with music and lyrics by Andrew Lippa and a book by Marshall Brickman and Rick Elice. The show is based upon The Addams Family characters created by Charles Addams in his single-panel gag cartoons, which depict a ghoulish American family with an affinity for all things macabre. Numerous film and television adaptations of Addams' cartoons exist, but the musical, which is the first stage show based on the characters, is based upon the cartoons rather than the television and film characters. The Addams Family is also the first production produced by Elephant Eye Theatricals.

After a tryout in Chicago, the show opened on Broadway in April 2010. The original cast featured Nathan Lane as Gomez and Bebe Neuwirth as Morticia. An original Broadway cast recording was released on June 8, 2010.

Blue Harriers

The Blue Harriers had another impressive season, winning a number of invitational meets during the regular season. At the CISA Championships, St. Michael's won all three age division titles. In the past 36 years, the team has managed to capture 94 out of a possible 108 age division league championships. No other school has won more than four. The Blue Harriers also won their 36th consecutive league overall title, the longest winning streak in the history of Ontario high school athletics.

U14 Cross Country

The U 14 Cross Country Team had a very successful year winning both the U 13 and U 14 C.I.S.A.A. championships. Leading the way in the U 14 final was Ben Fox with a fist place finish. Brandon Raftis came third and Conor Pribaz, running a year up, finished fifth.In the U 13 Championship race Ethan Bordas, Noah Rondinone and Malcolm Garvey all finished in the top ten and won the overall team title by seven points.

Varsity Volleyball

This year's arcity Blue Strikers enjoyed an undefeated CISAA league campaign which saw them win the league title for the 6th consecutive year. The tournament season ended with an appearance in the finals of the Mississauga invitational, this helped give them a 3 seed going into the provincial championships. At OFSAA, the team would finish 2 and 1 in pool play tied for first with Sinclair and Agincourt. Unfortunately math would decide that in the end the Strikers would be relegated to the consolation side. The season's best highlight came at the hands of trip to Cuba, where the team had the opportunity to play with and against Cuban volleyball players for an entire week. The team will look to try and fill the void left by departing graduating athletes; Jack Borron, Joshua Camson, Richard Doyle, Alexander Hale, Richard Mienkowski, James Moriyama, Adam Regasz-Rethy, and Robert Wharry.

Junior Volleyball

After dropping their first game of the season, the Junior Strikers never lost a match. A potent mix of veterans and rookies ensured that they won all three tournaments in which they competed and earned CISAA Gold. Coaches Fischer and Beaton Smith thank all players for their dedication, integrity, and excellence of character.

The U16 soccer team competed in the CISAA Junior Boys Division 1. The Junior Azzuri, made up of grade 9 and grade 10 students, had a strong regular season. The team posted 4 clean sheets and outscored their opponents 35 to 6. The regular season record was 6 wins and 1 loss. The only blemish to the team's regular season was a 2-1 loss to traditional rival UCC. SMCS and UCC would meet again in the championship on a cold Saturday in October. A late goal was the difference in this match between equally disciplined and talented teams.

Varsity Soccer

The Senior Azzurri started the year with at trip to Detroit Catholic Central where they played to a 1-1 tie. I marked the beginning of an up and down regular season that had the team facing an unbeaten UCC squad in the semi-final. Turning in their best performance, the team won a thriller 2-1. Unfortunately, facing SAC in the final, the soccer gods were against the team, losing a heartbreaker on a fortuitous golden goal with 5 minutes left. With an infusion of young talent the Azzurri traveled to Richmond Hill for the OFSAA championship in June. Placed in a tough pool the team put in a very strong effort finishing with a win and two losses. The two losses were to the eventual tournament finalists. This year's MVP honours went to Mathew Rondinone a co-captain who contributed leadership and outstanding skills over the past couple of years. The team also honours James Valencia who was the SMCS Father Mallon trophy winner which recognizes the graduating student athlete who has combined academics and athletics. Coaches Mr. Zavodny and Mr. Romano would like to thank the graduating players for their contribution to the team while at SMCS, and wish them the very best for their future.

JUNIOR FOOTBALL

The 2014 Jr. Kerry Blues season will be remembered as a roller coaster of emotions. This year's team featured one of the youngest line-ups ever assembled. At one point, the starting offensive unit was made up of as many Grade 8 players as Grade 10, the remaining all being grade 9 players. As talented as the group was, the inexperience would show. The season started well, with the team going 3-0 in CISAA action and undefeated in exhibition play. However, with a list of mounting injuries, the Juniors suffered their first loss to Bill Crothers at their homecoming. This, coupled with a first time ever loss to St. Andrews shortly after, caused frustrations to mount. Regardless, St. Mike's defeated UCC in the CISAA final to repeat as CISAA champions. The Juniors progressed to the OFSAA finals where, despite a valiant effort, the Juniors fell short to St. Roch. As heartbreaking as it was, it showed a lot of character for these young men to have achieved what they did. A confident group moves on, some to junior, others to senior.

As Coach I would like to thank the assistant staff, consisting of Frank Trentadue, Steven Antolin, Angus Dineley, Trevor McHaffie, and Joe Cappielo. I would also like to thank the booster club members and the parents, family members and guardians of the athletes. Finally, I would like to thank the players themselves, whose enthusiasm and dedication have kept me enthused and dedicated for 29 seasons, this one no less than the others. I am proud of each and every one of you. Good luck to the soon to be senior players, you'll continue to do the program proud and to the younger players, well look forward to another great junior season.

Varsity Football

The 2015 Varsity Kerry Blues season is one that can be characterized as memorable and historic. It began with an historic trip to Detroit to take on St. Michaels brother school, Catholic Central in the inaugural Basil Bowl. This game was followed by the CISAA opener versus Trinity College and the Kerry Blues looked strong. After dropping their Homecoming game, the Kerry Blues bounced back with a victory versus Villanova. The historic season continued as the team hosted the St. Thomas Aquinas Eagles who traveled all the way from Houston, Texas to participate in the Basil Bowl. The CISAA season ended with a heartbreaking 4 1 loss in the annual FM game at UCC The team earned a berth in the CISAA semi-final and defeated the St. Andrews Saints in a thrilling upset game thereby reaching the CISAA championship for the first time since 2010. Taking a 14 10 lead into the fourth quarter; the Kerry Blues dropped a close one to UCC in the championship game. Participation in the historic Basil Bowl games along with reaching the CISAA championship for the first time since 2010 mark the season as historic and memorable. Congratulations to all team members and all the best to the graduating players.

U14 Basketball

The 2014-2015 U14 Basketball season was a great success. The team was equipped with a great combination of fast and agile guards as well as tall strong post players. During the regular CISAA season we only suffered one loss. The team came third in our Annual U14 tournament. In an exciting CISAA Finals game were able to come back from being behind for most of the game. In the fourth quarter the team came together to overcome the strong SHS team to win the gold medal.

Junior Basketball

The Junior Blue Raiders suffered from inconsistent play this year. Although showing flashes of brilliance, the team was unable to achieve its potential and lost in the semifinal game of the CISAA league championship with a league record of 11-3.

Blue Raiders

The Senior Blue Raiders went 38-0 in Canada and 48-1 overall, and were the first undefeated team in Canada in over 30 years. The team won 6 tournaments: Henry Carr Early Bird, Houston St. Thomas Tournament, Freeds Tipoff (5th straight), Nike St. Michael's 55th Annual (3rd staight), Can Am Cup in Erie, PA, All-Ontario Catholic (3rd in 4 years). The team went undefeated in CISAA for the 6th straight year (won 102 in a row), and was ranked #1 in Canada from early November throughout the season. (4th year in a row). The Blue Raiders won OFSAA AAAA Championship by an average of 21 points per game winning 79-59 in the Final.

Snowboarding

The 2015 SMC Blue Yetis' Snowboard season continued the climb towards excellence established by the team's founding members. The Yetis finished a very competitive third in their CISAA competition, and placed in the top 5 of a very strong OFSAA field. The coaching staff would especially like to thank the graduating members of the team: Carter Sprigings, Antonio Scarfo, Jesse Martini, Andrew Rick, Stephen Scanlan, and Patrick Bodi.

With a dual silver in both downhill and slopestyle, and as the team's top finisher at OFSAA, this year's Snowboard team MVP is Matthew Strezos.

U14 Hockey Team Blue

The U14 Team Blue hockey team had a fantastic undefeated season. The team was led by a strong group of returning veterans whose experience was vital after winning the U14 title the previous year. Joined by a talented group of players this season, Team Blue captured their second consecutive CISSAA U14 title with season long strong performances. The team was led by a stellar defense and the leadership presence was recognized at all postions. Perhaps, this team was one of the most talented and dominating teams in St. Mike's U14 history and the future looks bright for many of these young up and coming stars. They were a pleasure to coach as the coaching staff witnessed many remarkable and creative plays this year. Good luck to all the boys and we hope to see them all continue playing hockey at St. Mike's.

U14 Hockey Team White

It was an exciting year watching this group of talented young men play determined hockey to win our share of games. Behind the scenes it was a year that began plagued with injuries to key players and this trend continued throughout the season. The team became stronger as the season progressed, which is a testament to the strong leadership of captains Liam Foran , Nathan Kellenberger and Justin Law-Cobb, and had their best effort defeating U.C.C. in the semi-final. Unfortunately our best effort was in the second last game, losing to their Blue classmates in the final. The team represented St. Michael's well both on an off the ice and experienced much success and growth, both individually and as a team. Coaches Walsh, Carcasole and Antolin would like to thank Georgio Suppa, our manager and congratulate the team for their accomplishments.
Congratulations also go out to Liam Foran, this season's Most Valuable Player.

MAJORS VARSITY HOCKEY

The 2014-15 Majors saw growth again as it has over the last three years of its existence in the revamped form of exclusive membership to this school programme. The team participated in two leagues: CISAA and, for the first time, the MPHL (Midwest Prep Hockey League), which encompassed teams from Ontario, Vermont, Ohio, New York, Illinois, Pennsylvania, Quebec and Alberta. In CISAA action, the Majors finished one point out of the playoff picture. They consistently took points from the teams below them but struggled to gain any ground on the teams ahead of them in the standings. This proved to be their undoing as the team took 5 of 6 points from the team that adged them in the standings, only to see that team beat the number one ranked team as well as twice defeat the number two team over the season. In the MPHL season, the Majors played some great hockey and ended up being ranked third in the 10 team league going into the Championship Playoff Weekend at Gilmore Academy in Cleveland, Ohio. A first round upset at the hands of the 6th seed halted the Majors in their attempt to win the league title in their inaugural year of participation. Of little consolation, the team that upset the Majors went on to the Championship Final game, only to lose to the second seed. The Majors completed their competitive season with a 5th place ranking at the National Independant School Invitational Tournament. There were 10 teams participating from coast to coast. Certainly, the highlight of the season came at the end as the team ventured to Italy and Switzerland for a 10-day, 3 game excursion. The Majors won all three exhibition games against Como, Cortina, and Asiago. More importantly, the boys had a great time sightseeing and taking in the many cultural aspects of northern Italy, its food, culture and ambiance. The team visited Milan, Belsano del Grappa, and Venice as well as the towns where they played. As one Major commented, "We may not remember everything we did, but we'll never forget our trip to Italy!" The Majors would like to thank the coaches, their manager, and all of the people behind the scenes who helped out and especially their parents, who without, none of this season would have been possible.

Blue Sharks

As the year comes to an end, the 2014-2015 SMCS Varsity Blue Sharks Swim Team can boast yet another successful season. Almost half of the team this year were rookie sharks, filling the gaps of the veterans who swam last year. The OFSAA '4x50 freestyle' relay team composed of Erik Iuhas, Alex Pleava, Michael DiCosmo and Charlie Drysdale placed 4th overall in the province, proving that they were a team to be reckoned with every step of the way. A special congratulations also goes to Alex Pleava, this year's Team MVP. Alex showed strength in and out of the pool, rallying the boys both in practice and in competition. As it started, the season finished strong, and until next season, look out!

Junior Hockey

This was another strong year for the Junior Double Blues hockey team. Relying on a large cast of returning veteran players, the team once again captured the CISAA championship in a thrilling overtime game versus SAC. Other highlights of the season included a tournament win the York Junior Festival and a semi-final finish in the All Canadian Junior Classic in April.

SENIOR

THE SHAMROCKS

The Boys' Senior Rugby Squad was under the skilled coaching of Mr. Lafaele Taua who has the uncanny talent of bringing out the very best in each and every player. In regular season play, our standing was 3 wins against 2 losses. Our team was led by Captain(s) Dillon Ormesher, Ryan Hamilton and Tristan Stephen, all of whom led by example and not just words. While we lost in semi-final action, our team never lost its spirit of unity and camaraderie. We are looking forward to a stellar year in 2016 where we will not waver from our goals.

JUNIOR

The Junior Rugby Squad under the skilled coaching of Mr. Tim Sinclair played a strong and consistent season. Led by Captain Stefan Zuhani and Charlie Saunders, there was a strong sense of commitment and the boys played with all their heart. Our regular season saw a 4 win 2 loss standing, and while we were eliminated in the semi finals, the team spirit and sense of cohesion was a work of art.

The Varsity Badminton team experienced a challenging season, but ended on a high note at the CISAA Championship. They faced some stiff competition from individuals who were more experienced in badminton. As a team we persevered through these challenges and improved our level of play as the season progressed. Out of the 15 competing schools the team came away with a 6th place finish at the CISAA Championship. We look forward to next season where we will aim to finish in the top five overall as a team.

Blue Archers

Preparing for months to attend OFSAA, the Blue Archers Archery Team worked together to improve each other's skills and technique. The 2015 team were the first time attendees at the Ontario Highschool Archery Invitational Tournament. They truly enjoyed the experience of being able to shoot in a competitive environment and demonstrated tremendous spirit and sportmanship.

U14 Softball Blues

This season saw the U14 Softball Team post a strong 4-1 record, securing third overall at the CISAA championships. This season also marked the team's first softball game played at home on the Eugene Melnyk Sports Field, which will hopefully bcome a fixture for future seasons.

VARSITY BASEBALL

The Baseball Blues won the CISAA Championship, their 8th in 11 years defeating UCC 8-1 and St. Andrew's 10-3 in the Championship. The team then qualified for the OFSAA Final 4 by finishing 2nd in the Regional in Etobicoke. The Blues led the eventual Champion from Notre Dame Burlington, but could not hold on in the OFSAA Semi-final losing 7-5. The Blues finished 4th after falling to Bishop Allen 6-3 in the Bronze Medal Game. With many young players returning, SMC's baseball future looks bright.

VARSITY

At the end of the 2014 season the Varsity Blue Gaels graduated only 7 seniors from an OFSAA Silver medal winning team. With such a large contingent of returning players, the team looked to challenge themselves with a difficult schedule in a bid to return to the podium.

BLUE GAELS

This year's inaugural Junior Varsity Blue Gaels team posted an impressive regular season record of 19 wins and only 3 losses in league, tournament, and international play. Season highlights include: outscoring our opponents 193 - 82, a triumphant undefeated record against American teams (on both Canadian and American soil); and a most impressive second place finish at the Eastern Ontario Varsity Showcase Tournament.

U14

This was another strong season for the Under 14 Blue Gaels. This year's team features an explosive offense and an impenetrable defense. Led by a core of returning players, the team went undefeated in CISAA league play. After an 8-0 win over SAC in the semi finals, the team defended their CISAA championship by defeating KCS.

TENNIS

VARSITY

This year the SMCS Varsity Tennis team made great strides compared to previous years. By the end of the season they were ranked third in their division in CISAA. Taylor Durand showed great resilience in 1st singles, playing against the best tennis players in the league. Matthew Ross (who went on to win an OFSAA Antique Bronze) did well in 2nd singles, his serve paralyzed many competitors. Jack Sarabia was a guaranteed victory for every match in the league. Our strongest first doubles pair of Thomas Pineau Valcienne and Patrick Romain were undefeated in their matches. Other members had strong performances as well: Greg Choma Sutter, a grade 7 student, won his third singles match against a grade 12 student. Gabriel Chahinian, Jeffrey Chong, Nolan O'Shea, Nick Tatarsky, and Patrick Hart ALL contributed wins in the season as well. Great job to all members of the team this year.

GOLF

The senior golf team got off to a rocky start, finishing in the bottom half of the first three tournaments. A fourth place finish in the second last tournament guaranteed the team a spot in the Championship. The team saved their best last, winning the silver medal, only three strokes from the Championship. Coaches Corrente, Ruta and Ross would like to congratulate and thank graduating players George Young and Luke de Haas for their years with the program. This year's MVP led the team early in the season then had to battle through a knee injury suffered on the rugby pitch in the final tournaments. This year's Senior Golf MVP is George Young.

Junior Golf

The junior golf team easily captured a second straight CISSA Championship this year, winning all five tournaments by an average of 30 strokes, with eight players constantly having rounds in the 70s. The junior MVP won two of the five tournaments and finished second in the other three, including shooting an even par 72 in the championship tournament.

TRACK & FIELD

The track and field team won its 12th consecutive CISSA championship and its 33nd overall consecutive league championship with convincing wins in the midget and junior divisions. The team qualified 28 athletes for the metro regional championships and 10 athletes for the OFSAA championships. Highlighting the season was the midget boys 4x100m relay team which included Keon Edwards, Christian Sergnese, Aman Dhaliwal and Jaden Bailey. This team captured the metro title and the OFSAA gold medal.

Boy! The past four years have blown by. When I started at St. Mike's in Grade 9, I didn't know anyone and was terrified. But I was also excited. My fondest memory of St. Mike's was travelling to California with the boys to represent St Mike's and Canada in the Vex Robotics World Championship. I would like to thank my parents for providing with me this opportunity and the St. Michael's Community for providing me the support to excel. I can now officially say that I am a St. Michael's Man.

Being at St. Mike's for the past four years, my teachers have taught me many important lessons. I've learned that "what you got to realize," (Heijmans) is that in order to "get your money's worth" (Vella) and do well at St. Mike's, you should "always use moral reasoning tools" (Bazzocchi) and "never trust the textbook" (Toffoli). Success is guaranteed if you "don't leave organic chem to the night before" (Beaton), always find "analytical critical secondary sources" (Blaik), and whenever in doubt, "find the derivative of anything on the page" (Narducci).

Luke deHaas

St. Mike's was the best thing to ever happen to me. Props to Bishop de Charbonnel for starting up this place back in '52. Thanks to all the teachers that got me through the best years of my life. It's been a great ride at this beautiful institution. Thank you to all my teachers, coaches, and friends for making this such a memorable experience. The time I have had here has impacted me in so many ways. Going to miss these yellow brick halls, but the brotherhood is forever.

Well boys, it's hard to believe six years have come and gone! From earnestly waiting to graduate at the start of the year, I honestly find myself hesitating as I finally reach the door. To my teachers, family, and friends, I'll never forget the countless opportunities and guidance you have all provided me. Undoubtably, I'll continue to stumble and fall as I continue on my life's journey. However, I know I'll pick myself up and continue with newfound vigor. In the end, we may fear what we cannot predict... but sometimes that unpredictability is what makes life interesting. Sayonara gents!

Spyros Koskinas

It was an amazing six years at St. Mike's, and I'm going to miss walking through these yellow brick walls. I'd like to thank my parents, coaches, teachers, and of course, the Majors for making my senior year outstanding. The only thing left to say here is... Euro Tour 2015

Dear Austin Lee. This is the Queen of England. I am now revoking your knighthood due to your refusal to think of a funnier graduation quote. Furthermore, playing "Minecraft" with the Grade 7s in the PC lab is henceforth considered an act of high treason. Your foolish insolence stops here foul knave.

These past four years have been the most memorable and most bait years of my life. St Mike's has not made me into the man that I first expected to be, but it definitely made me into the one that I am most proud of. I met many amazing people and it's an experience that I will truly never forget.

Six years of walking through the yellow brick walled hallways of St. Mike's has produced some of my greatest memories. In order to keep these memories alive I feel as though a few shoutouts are needed. First off, shoutout to the Dogs for making highschool the best and craziest time of my life. Shoutout to the Hippy. Shoutout to my second home, the PG. Shoutout to all the boys who went on Punta 2015. Shout out to Tucker's house for all the live times. Gonna miss all the Dogs. Free Cortez.

The past four years have been absolutely amazing. I would like to thank all of my teachers for all of the knowledge they have bestowed upon me over the past four years. Secondly, I would like to thank all of my fellow classmates for making the St. Michael's community a brotherhood, and lastly I would like to thank my mother for all of her support and for giving me the opportunity to attend such a prominent school. All I have to say to everybody in the St. Michael's community is Thank You.

In Memoriam
Ed Narducci: 1955-2015

The St. Michael's College School community was deeply saddened by the passing of Ed Narducci on February 17, 2015. He was a dear friend, teacher, and mentor.

Ed Narducci was born March 26, 1955, and grew up in the Toronto area. He attended the University of Toronto, where he earned his Bachelor of Science in 1978, and Bachelor of Education the following year. From 1979 to 1981, Ed worked in a variety of short-term occasional teaching positions, for both the M.S.S.B. and the York County Board of Education.

It was in September of 1981, when Ed embarked upon his 33-year teaching career at St. Michael's College School. During his time at St. Michael's, Mr. Narducci taught both Mathematics, and Computer Programming, and in 1996, he was named Assistant Head of the Mathematics Department.

During his time at St. Michael's, Ed also became very involved in athletics, and took on a coaching role for the volleyball, basketball, and wrestling teams for several years. Ed was also the moderator for the student government and math club, and could often be found at school before and after class offering extra help to students in need.

On behalf of the Basilian Fathers, and the entire St. Michael's College School community, our prayers are with Ed's wife Sandra, and his children, Andrea, Laura, and Joseph `16, as well as the entire Narducci family. Ed Narducci will be deeply missed amongst the St. Michael's family.
